

Ordinance #\_\_\_\_\_

## An Ordinance to Regulate the Number and Duration of Garage/Yard Sales

The Township of Quincy determines that it is in the best interest of the citizens of Quincy Township to adopt regulations governing the number and duration of garage sales.

### SECTION A PURPOSE.

The Township Board finds that perpetual, prolonged, and extended yard sales, if continued indefinitely, tend to become retail businesses in residential areas and zones, create noise, traffic congestion, unsightly signage, and other nuisances. The rules and regulations contained herein are designed to control and restrict yard sales in order to protect the public health, safety and convenience of the citizens of Quincy and to restrict sales to casual or occasional occurrences only, in keeping with the character of the residential neighborhoods. The Township Board finds a need to limit, regulate, restrict and control yard sales.
